

Dear Doyle Families,

We are very excited to begin Doyle PTA's 2025-2026 California Reads program. This reading program was designed by the California Teachers Association to encourage reading and was adopted by the Doyle PTA in 2018. California Reads has been part of the PTA's annual lineup of programs since adoption and is accessible online through the Doyle PTA website (<https://doylepta.org/>). The program starts on Monday, October 6, 2025 and ends on Friday, January 9, 2026.

The program is designed to account for time spent reading. This format enables the students to get credit for reading various materials in any format. It also allows your child to use classroom-assigned reading to count towards CA Reads minutes.

Included below is more information about how to participate in this year's CA Reads program.

Your support absolutely helps in motivating student participation! We invite any questions to careads@doylepta.org.

Sincerely,
Doyle PTA CA Reads Committee

We will need [parent/guardian permission and an email address](#) to award the latter incentive.
